Design a network data collection

Groupwork

1. You will be allocated to a group
2. Nominate a group leader that will be reporting on the activity of the group
3. Identify a network about which you would like to collect data and a question you would like to address with these data
4. Design a data collection approach and provide a rationale for choosing the selected approach
5. Identify and discuss potential challenges

Group 1	Akanksha
	Belen
	Ross
	Maria
	Ayesha
Group 2	Charunan
	Oscar
	Hiroki
	Saradha
Group 3	Anas
	Ananya
	Evi
	Perizat
	Daniela
Group 4	Samuel
	Jongho
	America
	Noemie
Group 5	Johanna
	Hatty
	Poojani
	Tanya
